

## TESTIMONIAL LETTER

When my husband and I were organizing our wedding, we wanted our photographs to be our memories forever. We found that Amaze Photography shared this view.

From our first consultation, we were pleased with the service. We were shown previous couples photographs, at different locations, different photographer's styles and presentations and were able to choose what suited us.

The photographer was greatly skilled and turned our wedding into many memories. We are more than pleased with the quality of photographs, as well as the service on our wedding day.

We would highly recommend Amaze Photography to anyone planning a wedding. We now have beautiful memories of our special day and we couldn't have asked for anything more.

Thank you Amaze Photography for sharing our special with us and giving us beautiful memories that will last forever!
