

My Husband and I are writing to thank Amaze Photography for helping to make our wedding day the 17th of september 2005 the successful and wonderful day it was.

Amaze Photography was the best choice we made, our Photographer Tom was there from morning till the end and took pictures throughout the entire day and didn't miss an event, he made us and everyone involved feel comfortable and at ease throughout the whole process.

The photographs turned out so beautiful, more then we could have expected.

We would recommend Amaze Photography to anyone who wants beautifully done photographs on their special day.

My brother was also impressed with the photos that he and his wife hired Tom for their Wedding as well.

Wishing you all the best and thanks again Tom.

Kind regards,

Zed and Frances Komsic
