

*Amazephotography (Tom) is truly amazing, professional and demonstrates passion for his work. The photos captured not only our faces but also our souls. He has a unique style and flair for photography.*

*We are extremely pleased with our wedding package. Not only was he very friendly and easy to work with but his pictures really captured the moment. We barely noticed him during the wedding yet his pictures prove he was everywhere. The wedding photo packages are an excellent value for the amount of pictures we received.*

*We would highly recommend Amazephotography (Tom) to anyone looking for a photographer*

*All the best Tom*

*Thank you so much*
