

21<sup>st</sup> October 2000

Dear Tommy,

From both Ray & I, we would like to say "Thank you so much" for all your efforts on our beautiful wedding day. From the first time we meet you, we felt so relaxed and comfortable with you and your work. We felt so happy to finally trust a professional such as yourself. Even our pre-wedding photo's were the same standard & quality as our wedding pics – You did such a wonderful job!!!

We couldn't be any more satisfied with the results of your work. Nothing was a bother to you and you were always there to snap your happy shots. We are so pleased with your work where we have recommended your services to our loved ones.

Not only were you on time and friendly, you showed such care and compassion in your work and for us on our day. You made our wedding even more memorable.

We also appreciate your flexibility, since our wedding day was on the 30<sup>th</sup> September 2000, it was hard trying to get a professional photographer during that time, as it was right in the middle of the Olympics, but you were right there when we needed you.

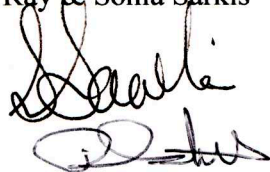

We were even more amazed with the time frame you had the photographs ready for viewing. Our wedding album is on a church stand as soon as you enter our home – we always show it off, esp. to people that were not there at the wedding. The comments we get each time people view the album and the quality of the photographers, you too will feel great.

Once again, thank you so very much for your hard work and making our wedding day the day it was. You truly are wonderful. Looking forward to seeing more of your work soon.

All the best Tommy and God Bless.

Kind Regards,

Ray & Sonia Sarkis
